Volunteer Hours

Goal:
4,000 hrs

Current:
1447 hrs

Remember to log in your volunteer hours!

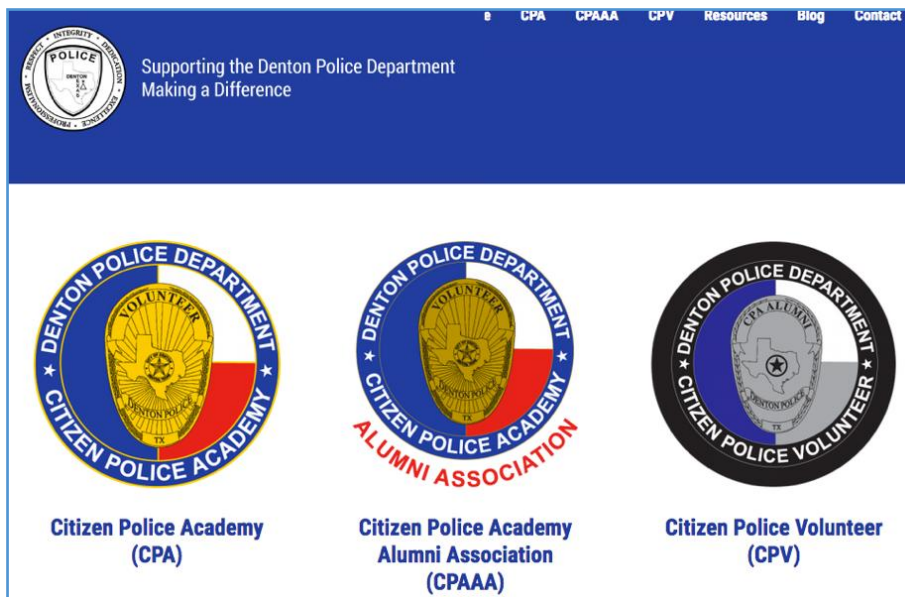

www.DentonCPAAA.org

Log your hours on Track it Forward from the web or through our new website. We want to reach our goal of 4000 volunteer hours in one year (Oct 1, 2016 - Sep 30, 2017). We also track hours for the President's Volunteer Service Awards so please check to make sure all your hours from Oct 1, 2016 are entered. You may enter volunteer hours from any official organization.

Events Report

Officer Appreciation Day

- On December 6, 2016, Mayor Chris Watts proclaimed December 8, 2016 Denton Police Officer Appreciation Day.
- Officer Appreciation Day was a total and complete success. Our officers were served breakfast, lunch, and dinner, and everything in between. We have many to thank for making that possible.
- So many door prizes had been collected that over 180 officers went home with a gift that day! Committee members collected everything from gift cards, jewelry, tablets, and many, many more gifts for our deserving officers. Gift bags full of many goodies were given to each officer also. It was a wonderful way to thank our officers for all they do for our community everyday of the year!
- Many of the members of the CPAAA were in attendance that day also. They worked very hard to have the room decorated, the food on time, the goody bags stuffed, the gifts collected and displayed, the gifts distributed, and the room put back to normal by 10 PM. Many members worked beginning at 5:30 AM, and some stayed as late as was needed. GREAT BIG THANKS TO ALL WHO HELPED IN ANY WAY!
- All the officers seemed to enjoy themselves. They were visiting, eating, laughing, eating, posing for pictures, eating, and generally having a great time. A great many thank yous were passed along. We are so pleased, because that is why we do it in the first place!

Regional CPAAANT Meeting

- The Denton CPAAA hosted the CPAAA of North Texas Regional Meeting on March 4, 2017 at 10 AM. Breakfast goodies were served to those in attendance. Representatives from almost all associations attended. The regular business meeting was conducted.
- The program for the meeting was presented by the Dallas 9/11 Memorial Stair Climb. It is an event held each year to honor the first responders at 9/11. The participants, who are police officers and firefighters, climb the equivalent number of stairs that the first responders had to climb. They are dressed in the complete gear that they would have used on 9/11/2001. It is a very moving tribute to the many who responded, lost their lives, or those who are ill now because of their response.

- We hope to host the Regional Meeting once again next year.

Want to help with the sky tower ??

Contact Officer Bryan Cose – Bryan.Cose@cityofdenton.com

Back the Blue
