## A Word from our President...

Rodney Shutts

As 2020 comes to a close, I want to thank each, and every one of our members for their support of the CPAAA.

We started out in January at our general meeting with great enthusiasm and looking forward to many volunteer activities. Then, Covid hit us and the rest of the world hard in March of 2020. One by one, all our volunteer opportunities were cancelled. The Executive Board decided to cancel all the meetings for the rest of the year as a precautionary measure.

As of now, I am hoping we can generate that same enthusiasm for 2021, starting in January. I look forward to our regular meetings and volunteer activities in 2021. The next several weeks, into the New Year, will probably determine what direction our organization will head with Covid still looking over our shoulder.

I wish all of you, a healthy holiday season with your families.

## Congrats to 2020 CPA Grads!

Congratulations to these CPA graduates that stuck with the program despite a couple stops and starts due to Covid restrictions. We look forward to them joining the CPAAA and our team of volunteers in 2021.
