Student Snack Program

Because some students are coming to school hungry, Student Resource Officers maintain a supply of snacks in their offices. The Student Snack Program helps pay for these snacks. We currently supply Denton, Guyer and Ryan High Schools and Calhoun and Strickland Middle Schools. We would like to help all Denton ISD schools!

If you can help with snacks or a monetary donation so we can purchase snacks, please let us know! Contact us at dentoncpaaainfo@gmail.com or our website at dentoncpaa.org.
